Dear Suzuki Violin Families,

We are preparing to begin a new quarter of Suzuki Violin instruction and are looking forward to your participation. Enclosed is a registration form and schedules explaining our group class offerings. Please read over these schedules and fill out the required registration information carefully. **It is very important that you read all of the registration documents carefully, including the School/Studio Policies.** If you have any questions about which class your student should be attending, please check with your private teacher who will advise you.

After your registration form is received, I will confirm your registration by e-mail communication. You'll want to contact your private teacher to arrange a private lesson time. We have provided alternative classes for every group class level. You are welcome to attend more than one group class offered during the week without additional charge.

Our Winter Solo Recitals will be held on Sunday, February 22, 2008 at Worthington Presbyterian Church in Woodrow Chapel. **Please mark that date on your calendar right away so that you do not experience scheduling conflicts for that date.** You may check with your teacher if you have questions about the winter qrt.
